

# Analysis Request

To request an analytics product, please complete this form and email it to [udrc@ushe.edu](mailto:udrc@ushe.edu). Upon receiving the request for analysis, UDRC staff will review the request and contact you to discuss the proposed analysis. Before submitting this form, please ensure that your request meets the following requirements:

1. The data requires linking data across two or more partners ;
2. The desired analysis measures are clearly defined; and
3. Only minimal background information is required for the intended audience.

Name of Requester:

Email:

Organization:

Analysis Topic or Question:

What is the intended use of this analysis?

Please provide a brief description of the proposed measures for this analysis.
